Maybe even better than free.

Our service is completely free for everyone. Files transferred the old-fashioned way tend to pile up and be forgotten about, eventually costing you money indata storage fees. You decide who you want to share your files with. You don't need any special software installed to be able to download your files. This iseasy, fast and reliable filehosting! You don't need any kind of premium-accounts. Your wallet will be none-the-lighter! Just so we're all 100% clear here: Whenyou share a file, data is being transferred between your computer or phone and our servers, then from our servers to your friends device. There are norestrictions on the number of times a file can be downloaded. File is free to use with no gotchas and no hidden fees. No account or credit card is required to getstarted. filehosting provides an easy possibility for you to send large files to your friends. Simply upload your file and share the link. Files can be downloadedfrom any computer from our high speed servers. Just upload the file you want to share with your friends and we send you a download link to your file. You canupload any type of file (movies, music, documents, images, zip files and more). So try our free and simple filehosting service now. The cost of that data transferis covered by your internet service or the data plan on your phone. When you use file, you avoid storing the file you're sending in your cloud storage or mailserver. Any file in any format can be uploaded and downloaded for free. Why pay storage fees for a file that you just wanted to send to a friend or colleague?Also, many team chat apps have limits to the size of files that can be transferred within their apps. Keep your files private, or send your download links only tofriends or family. It is also allowed to link to the download page from websites and communities. Alternatively you can choose to share your download links onblogs, forums and social networking sites. You can give this download link to your friends by mail or instant messenger. If only we could, we surely would! Onthe other hand, using file can actually save you money. We have no file size limit. Unfortunately, we can't make that part free. Using file, you can circumventthose limits without paying to upgrade your team chat service.
